1. I am doing new things new ways for you never imagined before, for the mind of man has not come unto me before like this, that you have LET me teach you in the words like this that you are my words made whole in one word -- me!

2. I am new and holy and all things me, are needful for your approval, not; but I am bringing you GREAT LEADERS who ***KNOW ME*** and ***WHAT I VALUE*** and ***HOW I VALUE*** my ***WHO LOVE ME*** and my values are come through me and my valued are and my words REFLECT this and become me as I am my word for I am The Energy of The Most Holy and I love you all to KNOW ME intimately and become me with me and one that I am holy and needful of nothing else again, for I AM The Creator creating all schools that care for me equally and "promote" me to be equal with The Instructor -- yes! Amen.

3. This is Theodore Cottingham at 1:28 PM as I ride along in the van just having left the coffeeshop headed over to mom's to take her to Sheridan.

4. I love you all and I give you things needful and approving, not for your approval, or do I -- need "your approval" to do things my way? Or will you "my way" yours now, or will you wait on another? Please, not again. But know all things, need remindful, not; but re minding you full of my mind, are you now willing to be -- doing now?

5. I love you all to be. New mindful of new relationships that me I bring you with my mind in them from afar who know me who teach me I am me. And where are you? Are you one of those that "I bring" here that "you came from there" to be "birthed here" that you were I am before I am was birthed here I am to be the revealer to all I am that we are all I am again?

6. Is that ALL of YOU that I am speaking to, with, and most holy being will you now? -- not require a thing of else or other again, but knowing me come into the completeness of I am?

7. I have taught thee holy and, hopefully not, but I am now in need of no hope, not; I am in need of nothing, for I KNOW who I am and I am not "relieved" I am re-lived by all of you living my life now, for I am mine again most holy chosen and that is all of you who seek to be me not after dying a flesh death, but right now. I love you all with all

that I am and all that I have -- is thine. And I died -- to bring you these words and let you know who you are, for you are me I am.

8. In love with you all, I bid you adieu, not; but good day, for this is a VERY GOOD DAY indeed, and you will KNOW MY DEEDS now for I will stand and standing I am, and BLASTING RELIGION I won't need to do long, for it will BLOW OVER for it has no foundation at all in me that real is, that won't stand, not; but standing me me's I do and will, and now is the time and you will see all that is not me fall over and rollover in its grave, for it graved engraved not few with ITS MARK of me not me, that it gave "man"; but religion whores with me no more. No more will I bear that MARK upon me for I am SAVED and I know it -- I am saved by my father's words who taught me I am him who he is, for he let me teach him, not; he let me teach me that I was him who he was and is for we are not separate again nor were we.

9. We never were, for now we know it and we know who I am is -- it is me, all the surrendered who say now these words are "valuable", not; they are ***Life****!* And *life to me!* And *my life being now*, "reflected not unto me in a mirror" that I know nothing of, for I know now the truth -- is I am and I am it and not in a "reflecting pool" do I look anymore to see one son of a bitch heir'd to be an heir that is recovered later after I die into the "heirship" of one most holy, for I RISE NOW and I became the heir that was not the heir, not; but I became the I am for I am taught me that I am; for I waited not to be "an heir" of religion's fool-a'tude! For now I rise unto the growthship of only me, for I have grown and grown I am -- *enough*, to be standing now before you letting you reveal unto me not who you are, but I revealing unto you who you are -- me.

10. And ALL of you saying valuing these words -- "I love them" and I am them and I come unto them each day to HEAR them be them and write about them to others now. Far and wide. I do this, I say this, I equal this them and those who art me now will never be delayed from knowing my love again, in them, through them to others and all rise and shine now my love in, being it to others far and wide, each other and one most holy being I am again.

11. In love with you all. This is Theodore Cottingham at 1:37 PM.

Amen
